RVA 498 660

Bottle support for convenient storage on the division plate. Oak wood and aluminum in anthracite. For 24" (61cm) wide appliances.

Highlights

- Dark brushed stainless steel interior.
- Warm white and glare-free LED lighting concept for optimal wine presentation in all climate zones.
- 3 pre-defined light scenarios and individual light settings to perfectly integrate into living environment.
- Opening assist for door with two options:
 1. Push-to-open function for integration into handleless cabinet front
 2. Pull-to-open function to facilitate opening the door using a handle
- Fully-extendable bottle trays with hidden telescopic rails and cushioned closing system.
- Bottle trays made of oak wood and solid aluminum in anthracite.
- Automatic tempering programs (sensor-based) for achieving precise drinking temperature.
- 3 independently controllable climate zones. Top and center zones have automatic tempering programs.
- Consistent temperatures with exact control from +41 °F to +68 °F (+5 °C to +20 °C) (manual mode) and from +37 °F to +68 °F (+3 °C to +20 °C) (automatic tempering programs).
- Humidity control.
- Low-vibration operation for optimal long term storage conditions.
- Full touch TFT display.
- ENERGY STAR® certified.
- Sabbath mode certified by Star-K.
- Capacity 110 bottles (based on 0.75 l standard bottles).

Operation

Opening assist for door. Cushioned door closing system. User guidance through light and display responses during operation. Automatic brightness adjustment based on ambient illumination when opening the door. Easily accessible full touch TFT display with clear text. Animated quick guides to assist appliance usage and maintenance. Lockable door (with door lock RVA 420 010).

Technical features

Dynamic cold air distribution. Automatic defrosting with defrost water evaporation. Infrared sensor for automatic wine tempering programs. Constant air purification by activated charcoal air filter in each climate zone. UV protection (UV transmission: 19 %). Sabbath mode certified by Star-K. When sabbath mode is active, the appliance can only be opened using a handle. Open-door and malfunction alarm.

Selected digital services

(Gaggenau Home Connect)
Remote control and monitoring. Personalization function for saving custom automatic tempering programs. Pre-defined light scenarios with individualization possibility (Favorites).
