GAGGENAU

We're excited to announce the launch of a new tool called "TEXT4Spec."

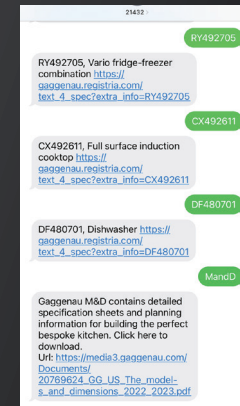

Have you ever needed to quickly reference a product spec sheet on the go? As the name suggests, **TEXT4Spec** lets you do that using the one device we know you always have on hand – your phone.

Key benefits:

- Easy to remember 5 digit text code – 21432
- Automated product xml feed pulled directly from Trade Tool ensuring accuracy of product information
- Tool can be used by sales teams and end consumers alike!

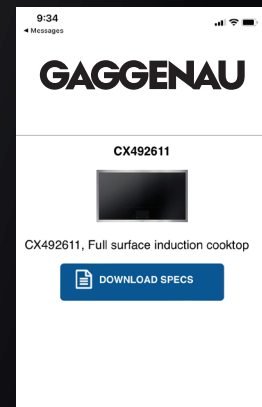

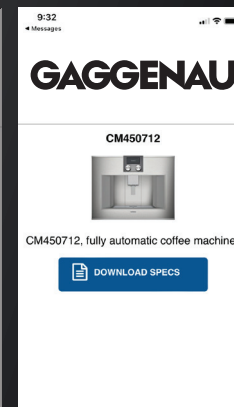

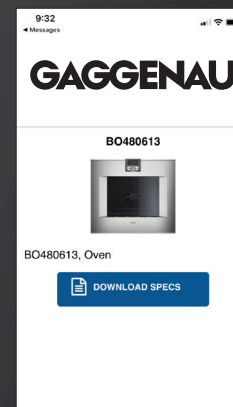

Step 1:

Text the product model number (SKU) to 21432. Text MandD to see the digital version of the Models and Dimensions Spec Book.

Step 2:

Click Download Specs.

Step 3:

That's all! You can now access the product info you need right on your phone.
